HorseShoe Lake Farms
20493 Riversid Dr
ST. Paul, OR. 97137

Dear Sir's or Ms.

I have been a hop grower for some 40 years now.

I have seen two marketing orders go out of business, because of grower ineptness, and leadership inability to follow the rules.

As I read the new proposal I am sure it will fail in the same way. so I will vote no on this new order.

Thank you.

Samuel Smith
