Hello. Feb 1, 05

USDA - You should be protecting the Alaska + National USA from removing seafood + salmon + etc from coverage. This is why USDA is trying to educate our young people in this program because Chile + other nations selling their products here are undercutting our salmon + etc. We need you to protect our livelihood + making a living in Alaska + rest of USA.

plus all the deckhands off our boats in salmon seine fishing + other fishing

CDFU Action Alert

Labeling needed for canned, smoked & cured seafood

The USDA country of origin labeling interim final rule has removed canned, smoked and cured salmon and seafood from coverage. We need your letters, email, & faxes, asking specifically to include canned, smoked and cured salmon in mandatory country of origin labeling.

Deadline for comments is Feb 2 - Don't wait - send your message today!

State that your comments refer to Docket No. LS-03-04

Email to cool@usda.gov
Fax to (202) 720-3499
or send written comments to:
Country of Origin Labeling Program
Room 2092-S, Agricultural Marketing Service,
USDA STOP 0249
1400 Independence Avenue SW
Washington, DC 20250-0249

For the COOL Interim Final Rule, Q&A and Public Comments see:
