Northern livestock video auction held their annual summertime classic sheep sale today. Demand was good to very good for moderate offerings. Demand for long strings and load lots of lambs was very good with multiple buyers actively bidding on offerings. Lambs were purchased by buyers across the country as everyone showed good demand for offerings. Later delivery offerings sold on the best demand as buyers purchased these lambs to feed for spring religious and ethnic holidays. Market activity was active. Supply included: 100% Feeder Sheep/Lambs (100% Lambs).
