Compared to last week: Feeder cattle offerings were too lightly tested the last two sales to develop any market trend. Demand was mostly good to very good for today sale. Most feeders were offered on moderate sized packages with several load lots and partial load lots seen. Quality this sale was mostly plain to average with a few attractive quality consignments seen. Feeding cows sold mostly steady to 2.00 higher, in a narrow comparison. Cow quality was average to attractive today. Weigh up conditions were mostly average. Slaughter bulls sold steady to firm in a narrow comparison. Several very high yielding bulls were seen this sale and these offerings were met with very good demand. Young age cows sold generally steady. Cows which lost calves sold with the best demand again this week. Feeding quality cows sold at a discount to cows suitable to rebreed.
