Good to very good demand for todays offering of fully preconditioned calves coming right off the cow. Most were light fleshed with spring and fall vaccinations and attractive for quality. An active market with order buyers and farmer feeders in the seats competing with internet buyers trying to procure cattle. Warmer weather in the area has allowed fall harvest to resume and made for movement of livestock easier. This was the last scheduled special black hided calf sale of the season. Next feeder sale will be Friday November 3, 2023, expecting a large run of yearlings and spring born calves. Supply included: 100% Feeder Cattle (66% Steers, 34% Heifers). Feeder cattle supply over 600 lbs was 8%.
