AMENDMENT NO. 1

**COMMODITY SPECIFICATION
FROZEN POTATO PRODUCTS – April 2015**

The purpose of this amendment is to revise Section II., Individual Commodity Specifications. This amendment will streamline and clarify the determination and responsibilities of the sodium content levels. Other revisions are to D., Frozen French-Cut Sweet Potatoes, is to remove the term French-Cut, to clarify the Styles, Number 3, and added pack sizes 13. Also, there is an addition of a material code to V., Exhibit 4 for Crinkle Cut Style.

The deletions are strikethroughs and additions are shown in **blue** below:

II. Individual Commodity Specifications

Additional language: The vendor is responsible for the product meeting the sodium content requirements for each individual commodity. Vendors must make available (when requested), a laboratory analysis report to document and verify information provided in a Nutritional Facts Panel.
