## AMENDMENT NO. 3

### COMMODITY SPECIFICATION BULK PRODUCTS FOR FURTHER PROCESSING AUGUST 2012

The purpose of this amendment is to revise the Individual Commodity Specification for Sweet Potatoes for Processing.

The revised text is in **blue**.

1. Section II. Paragraph C. is revised to read as follows:

Size – Whole sweet potatoes shall be specified not less than 1 3/4 inches to **6** inches in diameter. Maximum diameter tuber must pass freely through a **6** inch diameter tube.

All other terms and conditions remain unchanged.
