NOTE: All poultry and egg products must be produced and processed from poultry and/or egg products including maltodextrin (products) which were produced, raised, and processed in the United States, its territories or possessions, the Commonwealth of Puerto Rico, or the Trust Territories of the Pacific Islands. If the contractor processes or handles products originating from sources other than the United States, its territories or possessions, Puerto Rico, or the Trust Territories of the Pacific Islands, the contractor must have an acceptable identification and segregation plan for those products to ensure they are not used in commodities purchased under any Poultry Programs Announcement. Contractor agrees to include this domestic origin certification clause in its entirety in all subcontracts for poultry and/or egg products used in fulfilling any contracts awarded under this Announcement.
