§ 1219.30 Establishment and membership.

(a) A Hass Avocado Board, called the Board elsewhere in this part, is hereby established to administer the terms and provisions of this subpart. The Board shall consist of 12 members nominated by the Hass avocado industry and appointed by the Secretary as provided in this subpart, each of whom shall have an alternate nominated and appointed in the same manner as members of the Board are nominated and appointed. Board members and alternates shall be domiciled in the United States.

(b) The membership of the Board shall be divided as follows:

(1) Seven members and their alternates shall be producers of Hass avocados that are subject to assessments under this subpart;

(2) Two members and their alternates shall be importers of Hass avocados that are subject to assessments under this subpart; and

(3) Three members shall be producers of Hass avocados that are subject to assessments under this subpart or importers of Hass avocados that are subject to assessments under this subpart. Producers and importers shall be allocated to these positions so as to assure as nearly as possible that the composition of the 12-member Board reflects the proportion of domestic production and imports supplying the United States market. Such proportion shall be based on the Secretary's determination of the average volume of domestic production and the average volume of imports into the United States market over the previous three years, based on all information available to the Secretary.

(c) Three years after the assessment of funds commences pursuant to this subpart, and at the end of each three-year period thereafter, the Board shall review the production of domestic Hass avocados in the United States and the volume of imported Hass avocados on the basis of the amount of assessments collected from producers and importers over the immediately preceding three-year period and, if warranted, recommend to the Secretary the reapportionment of the positions authorized in paragraph (b)(3) of this section to reflect changes in the proportion of domestic Hass avocado production to the volume of imported Hass avocados, to the extent possible in the Act. Any adjustment under this paragraph shall be subject to the review and approval of the Secretary.

(d) For purposes of this section, *importer* means a person who is involved in, as a substantial activity, the importation of Hass avocados for sale or marketing in the United States (either directly or as an agent, broker, or consignee of any person that produces Hass avocados outside of the United States for sale in the United States), who is subject to assessments under the Order, and who is listed by Customs as the importer of record for such Hass avocados. A substantial activity means that the volume of a person's Hass avocado imports must exceed the volume of the person's production or handling of domestic Hass avocados.

§ 1219.31 Initial nomination and appointment of producer members and alternates.

(a) The Association will nominate producer members and alternates to serve on the Board in accordance with the following procedures.

(1) The Association shall establish a list of producers in the United States who are eligible to serve on the Board and notify all producers that they may nominate persons to serve as members and alternates on the Board.

(2) After names are received from the producers, the Association shall prepare a ballot with the names of all persons nominated and mail it to all producers to allow them the opportunity to vote for the persons who will represent their interests on the Board.

(3) After tabulating the vote, the Association shall announce the results and submit two names for

each producer member and two names for each alternate producer member to the Secretary from the persons receiving the highest number of votes.

(b) The Secretary shall select the producer members and alternates of the Board from the names submitted by the Association. Following the selection of the producer members, the Secretary shall select the alternate producer members. In selecting the alternate members, the Secretary shall consider the names submitted by the Association for each alternate member position along with the individuals whose names were submitted by the Association for each Board member position but were not selected for that position.

§ 1219.32 Initial nomination and appointment of importer members and alternates.

(a) The Department will conduct the nomination process for the initial importer members and alternates on the Board in accordance with the following procedures.

(1) The Department shall notify all known importers and importer organizations that they may nominate persons to serve as importer members and alternates on the Board.

(2) After names are received from the importers and importer organizations, the Department shall prepare a ballot with the names of all persons nominated and mail it to all known importers to allow them the opportunity to vote for the persons who will represent their interests on the Board.

(3) After tabulating the vote, the Department shall announce the results and submit two names for each importer member and two names for each alternate importer member to the Secretary from the persons receiving the highest number of votes.

(b) The Secretary shall select the importer members and alternates of the Board from the nominees elected by importers. Following the selection of the importer members, the Secretary shall select the alternate importer members. In selecting the alternate members, the Secretary shall consider the names for each alternate member position along with the individuals who were elected by importers for each Board member position but were not selected for that position.

§ 1219.33 Subsequent nomination and appointment of Board members and alternates.

The Board's staff shall announce at least 150 days in advance of the expiration of members' and alternates' terms that such terms are expiring and shall solicit nominations in accordance with procedures recommended by the Board and approved by the Secretary. Nominations for such positions should be submitted to the Secretary no less than 90 days prior to the expiration of the terms.

§ 1219.34 Failure to nominate.

In any case in which producers or importers fail to nominate individuals for appointment to the Board, the Secretary may appoint individuals to fill vacancies from the appropriate segments of the industry.

No member shall serve more than two consecutive three-year terms. Members and alternates serving initial two-year or four-year terms may serve for one additional three-year term. A Board member may serve as an alternate during the years the member is ineligible for a member position. Each term of office will end on October 31, with

new terms of office beginning on November 1.

§ 1219.36 Vacancies.

(a) In the event any member or alternate of the Board ceases to be a member of the category of members from which the member was appointed to the Board, such member or alternate shall be disqualified from serving on the Board and the position shall automatically become vacant.

(b) If a member of the Board consistently refuses to perform the duties of a member of the Board, or if a member of the Board engages in acts of dishonesty or willful misconduct, the Board may recommend to the Secretary that the member be removed from office. If the Secretary finds that the recommendation of the Board shows adequate cause, the member shall be removed from office.

(c) Should any Board member position become vacant in the event of the death, removal, resignation, or disqualification, the alternate of that member shall automatically assume the position of said member. The alternate shall serve until the end of the member's normal term. If there is no alternate member to assume the position of member, the successor member and alternate shall be nominated and selected in the manner specified in §§1219.31, 1219.32, or 1219.33.

(d) Should any alternate member become vacant in the event of death, removal, resignation, or disqualification, the Board may nominate persons to serve for the unexpired term of such alternate member. The nomination shall be conducted at a regularly scheduled Board meeting as soon as practicable after the vacancy occurs. The Board may solicit the names of nominees from producers and importers prior to the meeting and from the floor of the meeting. All nominees must meet the qualifications for nomination. The Board shall submit two nominees for each vacancy to the Secretary. A vacancy will not be required to be filled if the unexpired term is less than six months.

§ 1219.37 Alternate members.

An alternate member of the Board, during the absence of the member for whom the person is the alternate, shall act in the place and stead of such member and perform such duties as assigned. In the event of the death, removal, resignation, or disqualification of any member, the alternate for that member shall automatically assume the position of said member. In the event that both a member of the Board and the alternate are unable to attend a meeting, the Board may not designate any other alternate to serve in such member's or alternate's place and stead for the meeting.

§ 1219.38 Powers and duties.

The Board shall have the following powers and duties in addition to the responsibilities and authorities specified in other sections of this subpart:

(k) To evaluate on-going and completed programs, plans, and projects for Hass avocado promotion, industry information, consumer information, or related research and to comply with the independent evaluation provisions of the Federal Agricultural Improvement and Reform Act of 1996 [7 U.S.C. 7401 *et seq.*];

(a) At a properly convened meeting of the Board, seven (7) members, including alternates acting in place of members of the Board, shall constitute a quorum: *Provided*, that such alternates shall serve only when the member is absent from a meeting. Any action of the Board shall require the concurring votes of a majority of those present and voting. At assembled meetings, all votes shall be cast in person.

(b) In lieu of voting at a properly convened meeting and, when in the opinion of the chairperson of the Board such action is considered necessary, the Board may take action if supported by one vote more than 50 percent of the members by mail, telephone, electronic mail, facsimile, or other means of communication. Such alternative means for the Board taking action may be undertaken for various reasons. These reasons include the need to address matters of an emergency nature when there is not enough time to call an assembled meeting of the Board. All telephone votes shall be confirmed promptly in writing. In that event, all members must be notified and provided an opportunity to vote. Any action so taken shall have the same force and effect as though such action had been taken at a properly convened meeting of the Board. All votes shall be recorded in the Board minutes.

(c) All Board members and alternates and the Secretary will be notified at least 10 days in advance of all Board meetings, except the chairperson of the Board can waive the 10-day requirement in matters of an emergency nature.

(d) Each member of the Board will be entitled to one vote on any matter put to the Board, and the motion will carry if supported by one vote more than 50 percent of the total votes represented by the Board members present.

(e) There shall be no voting by proxy.

(f) The chairperson shall be a voting member of the Board.

§ 1219.40 Committee procedure.

(a) The Board may establish committees as deemed necessary to carry out the purposes and objectives of the Order.

(b) The chairperson of the Board shall appoint all committee chairpersons and shall appoint all members of each committee after consultation with the committee chairperson affected. Appointments are subject to approval by the Board and may be changed from time to time as determined by the chairperson of the Board with the concurrence of the Board.

and alternates and from the industry in general.

(d) The rules and procedures under which committees conduct their activities shall be prescribed in the Board's bylaws.

(f) It will be considered a quorum at a committee meeting when at least one more than half of those assigned to the committee are present.

(g) There shall be no voting by proxy on committees.

(h) The chairperson of the Board shall be an ex-officio member of all committees.

§ 1219.41 Compensation and expenses.

§ 1219.42 Prohibited activities.

The Board may not engage in and shall prohibit its employees and agents from engaging in:

(a) Any action that would be a conflict of interest. (2) Making any false, misleading, or disparaging statements with respect to the attributes or use of any agricultural product. This section shall not preclude the Board from offering its programs, plans, and projects for use by commercial parties under such terms and conditions as the Board may prescribe as approved by the Secretary.

(d) For the purposes of this section, a reference to State of origin or country of origin does not constitute a reference to a private brand name with regard to any funds credited to or disbursed by the Board to the Association or to any importer association established in accordance with §1219.54.

Budgets, Expenses, and Assessments

§ 1219.50 Budgets, programs, plans, and projects.

(a) The Board shall submit to the Secretary, on a fiscal period basis, annual budgets of its anticipated expenses and disbursements of the Board in the administration of this subpart, including the projected costs of Hass avocado promotion, industry information, consumer information, and related research programs, plans, and projects. The first budget shall cover such period as may remain before the beginning of the next fiscal period. Information acquired from such plans and projects shall be disseminated as appropriate. Funds shall be available as necessary to carry out this section; and

(4) The Board to enter into contracts or make agreements for the development and carrying out of research, promotion, and information, and pay for the costs of such contracts or agreements with funds collected pursuant to §1219.54.

(c) A budget, program, plan, or project for Hass avocados promotion, industry information, consumer information, or related research may not be implemented prior to approval of the budget, program, plan, or project by the Secretary. If the Secretary fails to provide notice to the Board or approval or disapproval of a budget, program, plan, or project within 45 days after receipt, such budget, program, plan, or project shall be deemed approved by the Secretary and may be implemented by the Board.

(d) The Board, from time to time, may seek advice and consult with experts from the production, import, wholesale, and retail segments of the Hass avocado industry to assist in the development of promotion, industry information, consumer information, and related research programs, plans, and projects. For these purposes, the Board may appoint special committees composed of persons other than Board members. A committee so appointed shall consult directly with the Board.

(e) Programs must be conducted throughout the year to reflect the periods when imported and domestic Hass avocados are in the U.S. marketplace.

(f) The Board shall consult with both the Association and importer associations on programs, plans, and projects for generic promotions.

§ 1219.51 Contracts and agreements.

The Board may disburse such funds as necessary for these purposes after such programs, plans, or projects have been submitted to and approved by the Secretary.

(b) Any contract or agreement entered into shall provide that the contracting or agreeing party shall develop and submit to the Board a program, plan or project, together with a budget that includes the estimated costs to be incurred for the program, plan or project, and such program, plan or project shall become effective on the approval of the Secretary. For such contract or agreement, the contracting or agreeing party shall:

- (1) Keep accurate records of all transactions of the party;
- (2) Account for funds received and expended;

§ 1219.52 Control of administrative costs.

(a) As soon as practicable after September 9, 2002, and after consultation with the Secretary and other appropriate persons, the Board shall implement a system of cost controls based on normally accepted business practices to:

(1) Ensure that the costs incurred by the Board in administering this part in any fiscal period shall not exceed 10 percent of the projected level of assessments and other income received by the Board for generic promotion and research programs for that fiscal period; and

(2) Cover the minimum administrative activities and personnel needed to properly administer and enforce this subpart, and conduct, supervise, and evaluate programs, plans, and projects under this subpart.

(b) Reimbursements to the Secretary required under §1219.53(b) are excluded from the limitation on spending.

(c) To the extent possible, the Board shall use the resources, staffs, and facilities of existing avocado organizations as provided in §1219.54(a).

§ 1219.53 Budget and expenses.

(a) The Board is authorized to incur such expenses, including provision for a reasonable reserve for operating contingencies, as the Secretary finds are reasonable and likely to be incurred by the Board for its maintenance and functioning and to enable it to exercise its powers and perform its duties in accordance with the provisions of this subpart. Such expenses shall be paid from funds received by the Board, including assessments, contributions from any person not subject to assessments under this subpart, and other funds available to the Board.

(b) The Board shall reimburse the Department:

(1) For expenses not to exceed \$25,000 incurred by the Secretary in connection with any referendum conducted under the Act;

(c) The Board shall establish and maintain the minimum level of annual administrative expenses necessary to efficiently and effectively carry out the programs authorized by the Act. The Board shall include its annual administrative expenses as a separate item in its annual report. The Board shall adhere to its fiduciary responsibilities and ensure that all monies are spent in accordance with the Act and the Order.

(d) With the approval of the Secretary, the Board may borrow money for the payment of administrative expenses, subject to the same fiscal, budget, and audit controls as other funds of the Board. Any funds borrowed by the Board shall be expended only for startup costs and capital outlays and are limited to the first period of operation of the Board.

(e) The Board may accept voluntary contributions, but these shall only be used to pay expenses incurred in the conduct of programs, plans, and projects. The contributions shall be free from any encumbrance by the donor, and the Board shall retain complete control of their use.

§ 1219.54 Assessments.

(a) Except as provided in §1219.55, the initial rate of assessment shall be 2.5 cents per pound on fresh Hass avocados produced and handled in the United States and on fresh Hass avocados imported into the United States. An equivalent rate shall be assessed on processed and frozen Hass avocados on which an assessment has not been paid. Such equivalent rate will be assessed on processed or frozen Hass avocados upon the recommendation of the Board with the approval of the Secretary. The rate of assessment may be increased or decreased as recommended by the Board and approved by the Secretary. Such an increase or decrease may occur not more than once annually. Any change in the assessment rate shall be announced by the Board at least 30 days prior to going into effect and shall not be subject to a vote in a referendum. The maximum assessment rate authorized is 5 cents per pound. No more than one assessment shall be made on any Hass avocados.

(b) *Domestic assessments.* The collection of assessments on domestic Hass avocados will be the responsibility of the first handler.

(1) In the case of a producer acting as the producer's own first handler, the producer will be required to collect and remit the assessments due to the Board.

(2) Each first handler shall collect from the producer and pay to the Board an assessment of 2.5 cents per pound in accordance with this subpart. Assessments shall be remitted by each first handler to the Board or its agent within 30 days after the end of the month in which the sale or non-sale transfer subject to assessment under this subpart took place.

(3) The first handler shall maintain a separate record of the domestic Hass avocados of each producer whose domestic Hass avocados are handled, including the domestic Hass avocados owned by the handler and domestic Hass avocados that are exported.

(4) Assessment of other types of fresh avocados may be added at the recommendation of the Board with the approval of the Secretary.

(c) *Import assessments.* Each importer of fresh Hass avocados shall pay an assessment to the Board through Customs on fresh Hass avocados imported for marketing in the United States.

(1) The assessment rate for imported fresh Hass avocados shall be the same or equivalent to the rate for fresh Hass avocados produced and handled in the United States.

(2) The import assessment shall be uniformly applied to imported fresh Hass avocados that are identified by the number 0804.40.00.10 in the Harmonized Tariff Schedule of the United States or any other numbers to identify fresh Hass avocados. Assessments on other types of imported fresh avocados or on processed Hass avocados, such as prepared, preserved, or frozen Hass avocados or Hass avocado paste, puree, and oil will be added at the recommendation of the Board with the approval of the Secretary.

(3) The assessments due on imported Hass avocados shall be paid when they are released from custody by Customs and introduced into the stream of commerce in the United States.

(d) All assessment payments and reports will be submitted to the Board's office. All final payments for a crop year are to be received no later than November 30 of that year, unless the Board determines that assessments due from the first handler shall be paid to the Board at a different time and manner, with approval of the Secretary.

(e) A late payment charge prescribed by the Secretary shall be imposed on any first handler who fails to remit to the Board the total amount for which any such handler is liable on or before the due date. In addition to the late payment charge, an interest charge shall be imposed on the outstanding amount for which the handler is liable. The rate of interest shall be prescribed by the Secretary. The timeliness of a payment to the Board shall be based on the date the payment is actually received by the Board.

(f) Regulations issued by the Secretary may provide for different first handler payment schedules of assessments on domestic Hass avocados, so as to recognize differences in marketing or purchasing practices and procedures.

(g) Persons failing to remit total assessments due in a timely manner may also be subject to actions under federal debt collection procedures.

(h) The Board may authorize other organizations to collect assessments on its behalf with approval of the Secretary.

(i) The collection of assessments shall commence on or after a date established by the Secretary and shall continue until terminated by the Secretary. If the Board is not constituted on the date the first assessments are to be remitted, the Secretary shall have the authority to receive assessments on behalf of the Board and may hold such assessments in an interest-bearing account until the Board is constituted and the funds are transferred to the Board.

(j) To facilitate the payment of assessments under this section, the Board shall publish lists of first handlers required to remit assessments under this subpart and exempt handlers.

(k) The Association shall receive an amount of assessment funds equal to 85 percent of the assessments paid on Hass avocados produced in such State. Such funds shall be remitted to such State organization no later than 30 days after such funds are received by the Board. In addition, such funds and any proceeds from the investment of such funds shall be used by the Association to finance promotion, research, consumer information, and industry information programs, plans, and projects in the United States. However, no such funds shall be used for any administrative expenses incurred by the Association.

(l) An association of Hass avocado importers established pursuant to §1219.58 shall receive an amount of assessment funds equal to 85 percent of the assessments paid on Hass avocados imported by its members. Such funds shall be remitted to such importer association no later than 30 days after such funds are received by the Board. In addition, such funds and any proceeds from the investment of such funds shall be used by the importer association to finance promotion, research, consumer information, and industry information programs, plans, and projects in the United States. However, no such funds shall be used for any administrative expenses incurred by the importer association.

(m) In general, assessment funds received by the Board shall be used:

(1) For payment of costs incurred in implementing and administering this subpart;

(2) To provide for a reasonable reserve to be maintained from assessments to be available for contingencies; and

(3) To cover the administrative costs incurred by the Secretary in implementing and administering this Act, as set forth in §1219.53(b).

(n) The Board may establish an operating monetary reserve which may carry over to subsequent fiscal periods: *Provided that*, the funds in the reserve do not exceed one fiscal period's budget. Subject to approval by the Secretary, reserve funds may be used to defray any expenses authorized under this part.

§ 1219.55 Exemption from assessment.

(a) Any sale of Hass avocados for export from the United States is exempt from assessment.

(b) The Board may require persons receiving an exemption from assessments to provide to the Board reports on the disposition of exempt Hass avocados.

§ 1219.56 Adjustment of accounts.

Whenever the Board or the Secretary determines through an audit of a person's reports, records, books, or accounts or by some other means that additional money is due to the Board, the person shall be notified of the amount due. The person shall then remit any amount due the Board by the next date for remitting assessments. Overpayments shall be credited to the account of the person remitting the overpayment and shall be applied against any amounts due in succeeding months unless the person requests a refund of the overpayment.

§ 1219.57 Patents, copyrights, trademarks, publications, and product formulations.

(a) Any patents, copyrights, trademarks, inventions, information, publications, and product formulations developed through the use of funds received by the Board under this subpart shall be the property of the U.S. Government as represented by the Board, and shall, along with any rents,

royalties, residual payments, or other income from the rental, sale, leasing, franchising, or other uses of such patents, copyrights, trademarks, inventions, information, publications, or product formulations, inure to the benefit of the Board; shall be considered income subject to the same fiscal, budget, and audit controls as other funds of the Board; and may be licensed subject to approval of the Secretary. Section 1219.72 describes the procedures for termination.

(b) Should patents, copyrights, trademarks, inventions, publications, or product formulations be developed through the use of funds collected by the Board under this subpart and funds contributed by another organization or person, ownership and related rights to such patents, copyrights, trademarks, inventions, publications, or product formulations shall be determined by agreement between the Board and the party contributing funds towards the development of such patent, copyright, trademark, invention, publication, or product formulation in a manner consistent with paragraph (a) of this section.

Source: 70 FR 2758, Jan. 14, 2005, unless otherwise noted.

§ 1219.200 Terms defined.

Unless otherwise defined in this subpart, the definitions of terms used in this subpart shall have the same meaning as the definitions of such terms which appear in Subpart A—Hass Avocado Promotion, Research, and Information Order of this part.

§ 1219.201 Definitions.

Organic Act means section 2103 of the Organic Foods Production Act of 1990 (7 U.S.C. 6502).

§ 1219.202 Exemption for organic Hass avocados.

(a) A producer who operates under an approved National Organic Program (NOP) (7 CFR part 205) system plan; only produces products that are eligible to be labeled as 100 percent organic under the NOP, except as provided for in paragraph (h) of this section; and is not a split operation shall be exempt from the payment of assessments.

(b) To obtain this exemption, an eligible Hass avocado producer shall submit a request for exemption to the Board—on a form provided by the Board—at any time initially and annually thereafter on or before November 1 as long as the producer continues to be eligible for the exemption.

(c) The request shall include the following: the producer's name and address, a copy of the organic farm or organic handling operation certificate provided by a USDA-accredited certifying agent as

defined in the Organic Act, a signed certification that the applicant meets all of the requirements specified for an assessment exemption, and such other information as may be required by the Board and with the approval of the Secretary.

(d) If the producer complies with the requirements of paragraph (a) of this section, the Board will grant an assessment exemption and shall issue a Certificate of Exemption to the producer. For exemption requests received on or before August 15, 2005, the Board will have 60 days to approve the exemption request; after August 15, 2005, the Board will have 30 days to approve the exemption request. If the application is disapproved, the Board will notify the applicant of the reason(s) for disapproval within the same timeframe.

(e) The producer shall provide a copy of the Certificate of Exemption to each handler to whom the producer sells Hass avocados. The handler shall maintain records showing the exempt producer's name and address and the exemption number assigned by the Board.

(f) An importer who imports only products that are eligible to be labeled as 100 percent organic under the NOP (7 CFR part 205) and who is not a split operation shall be exempt from the payment of assessments. That importer may submit documentation to the Board and request an exemption from assessment on 100 percent organic Hass avocados—on a form provided by the Board—at any time initially and annually thereafter on or before November 1 as long as the importer continues to be eligible for the exemption. This documentation shall include the same information required of producers in paragraph (c) of this section. If the importer complies with the requirements of this section, the Board will grant the exemption and issue a Certificate of Exemption to the importer. The Board will also issue the importer a 9-digit alphanumeric Harmonized Tariff Schedule (HTS) classification valid for 1 year from the date of issue. This HTS classification should be entered by the importer on the Customs entry documentation. Any line item entry of 100 percent organic Hass avocados bearing this HTS classification assigned by the Board will not be subject to assessments.

(g) The exemption will apply immediately following the issuance of the Certificate of Exemption.

(h) Agricultural commodities produced and marketed under an organic system plan, as described in 7 CFR 205.201, but not sold, labeled, or represented as organic, shall not disqualify a producer from exemption under this section, except that producers who produce both organic and non-organic agricultural commodities as a result of split operations shall not qualify for exemption. Reasons for conventional sales include lack of demand for organic products, isolated use of antibiotics for humane purposes, chemical or pesticide use as the result of State or emergency spray programs, and crops from a buffer area as described in 7 CFR part 205, provided all other criteria are met.
