The following table shows companies that have successfully passed an initial audit under the voluntary Good Agricultural Practices & Good Handling Practices for the scopes and commodities shown. Dates in a particular column indicate that the participant demonstrated an acceptable level of adherence with the Food and Drug Administration's "Guide to Minimize Microbial Food Safety Hazards for Fresh Fruits and Vegetables." The audit results are valid for one (1) year from the date shown, and are validated through the use of unannounced audit(s) throughout the growing/packing season. "N/A" means that process was not audited.
