RE: Docket Number FV-06-303 Potatoes; Grade Standards

To Whom It May Concern:

The Oregon Potato Commission (OPC) would like to be added as a participant to the comments the National Potato Council (NPC) submitted in the [attached letter](#).

OPC did have input with NPC while these standards were being evaluated by the potato growing community of the United States. Our concerns and comments on the standards have been met on the attached letter from NPC.

Thank you for taking the time to consider the growers input in this matter.

Sincerely,

Bill Brewer  
Executive Director  
Oregon Potato Council
