Service

**PURCHASE OF FRESH VEGETABLES FOR DISTRIBUTION TO CHILD

The purpose of this amendment is to clarify the requirements of GHP certification. Effective February 1, 2004, GHP certification must be completed within the previous 12 months or within 10 business days after award of the contract. Failure to obtain GHP certification within the prescribed timeframe will result in the bidder being deemed non-responsive, and the contract terminated for default.

Please note that your bid submission must indicate that it is in response to FV-314-007, as amended.

All other terms and conditions remain unchanged.

Sincerely,
