COMMODITY SPECIFICATIONS FROZEN POTATO PRODUCTS

Washington, DC
20250

1. The purpose of this amendment is to supersede Amendment No. 6, and insert the following statement under Section II. Individual Commodity Specifications, FV310-CS1, Commodity Specifications, to read as follows:

II. Individual Commodity Specifications

Only unsaturated vegetable oils containing "0 grams Trans Fats" as defined by FDA, shall be used in the processing of these products. Canola oil may be used. Hydrogenated oils or oils that may increase the total fat content shall not be used for the processing of these products. The requirements for the products must be certified under continual on-line grading by a USDA Grader.

2. All other terms and conditions remain unchanged.

Sincerely,

Michelle E. Warren
