## GREETINGS FROM ALABAMA

We are looking forward to seeing you at the Adam's Mark Hotel in Mobile for the 46<sup>th</sup> annual meeting of the National Market News Association October 16-18, 2003. We have a packed agenda of work as well as fun activities lined up for you during your stay. You can find all of the work items in the program schedule. I'll just touch on the fun things. On Thursday evening there will be a reception to celebrate your arrival to the Deep South. The hotel refers to this as Hors D'oeuvres and beverages. We livestock people can imagine what beverages are but Hors D'oeuvres scare the heck out of us. Let's just say there will be good eats and plenty of it. After a hard day of work on Friday, we'll whisk you away for an evening on Casino Row on the Gulf of Mexico in Biloxi Mississippi. Whether you want to partake in the gaming or just dine, enjoy a show or see the sights, it should be an evening of fun. Finally, Saturday evening winds up with the award presentations, a delicious Southern style banquet feast, and "The Last One Standing" Draw Down. The what, you say? More about that later.

## **NMNA SCHOLARSHIP FUND RAISER** ***“Last One Standing” DRAW DOWN Game***

Although our auctions have been very successful in the past, we decided to try something new for the scholarship fund raiser this year. It's called a DRAW DOWN and the rules are included in this newsletter. We will sell only 300 tickets at \$20.00 each. If all tickets are sold, this would generate \$6,000.00. The prize payout to the winner will be \$2000.00 with the remaining \$4,000.00 going to the scholarship fund. If less than 300 tickets are sold, the prize will be ½ of the money raised, not to exceed \$2000.00, with the remainder going to the scholarship fund. You can buy any number of tickets or split the cost of tickets with friends but we will limit the total number sold to 300.

**Tickets may be purchased at the registration tables Thursday and during the reception Thursday night.** If you will be arriving after the reception, or you want to buy your tickets early, there is a place on the enclosed registration form for ordering tickets. Your ticket(s) will be held for you and you will be notified of your ticket(s) number(s). Be sure to include a phone number on your form. **We must have your money in hand before a ticket can be assigned to you.** Remember, only 300 tickets will be sold on a first come first serve basis.

Ticket drawings will be held and the numbers posted at announced times throughout the workshop with the final 5 being drawn at the Saturday night banquet.

### ***“Last One Standing” DRAW DOWN Game*** **\*\*\*\* RULES AND DESCRIPTION OF THE GAME \*\*\*\***

This will be our major scholarship fund raising event at this year's workshop. It should be exciting for all, challenging for those trying to pull it off, potentially profitable for some, and very profitable for the winner.

#### **1. What is a DRAW DOWN?**

A DRAW DOWN is the opposite of a raffle. In a raffle, the first ticket out of the barrel is the winner. In a DRAW DOWN, the last ticket in the barrel is the winner.

#### **2. Exactly how does this work?**

All of the tickets for the DRAW DOWN are placed in a drum and thoroughly mixed. At announced times throughout the workshop tickets will be drawn out 1 at a time. When your ticket is drawn, you are out of the running for the \$2,000.00 prize. However, your ticket will be placed in another box from which tickets will be drawn for cash and other prizes.

**When** only 5 tickets are left in the DRAW DOWN drum, the ticket holders will be invited on stage at the Banquet and will be polled to see if they want to split the \$2,000.00 prize or continue drawing tickets. If all of the remaining ticket holders vote to split the money, the DRAW DOWN will stop at that point and the \$2000.00 will be split

evenly between them. However, if even 1 ticket holder wants to continue, the game will go on. After each drawing of the final five, we will again poll the remaining ticket holders to see if they want to continue drawing tickets or stop and split the money. If the holder of one of the final five tickets is not present to vote, an automatic “continue” to draw vote will be cast by the organizers.

**Also**, if at any time, one of the five finalists wishes to sell his or her ticket to someone in the audience, we will auction it off to the highest bidder and the seller will keep the money. The new participant will then take the sellers place and the DRAW DOWN will continue.

### **3. What are my chances of winning?**

The odds of winning the \$2,000.00 prize are 1 in 300 because no more than 300 tickets will be sold.

If we do not sell all 300 tickets, the prize will be ½ of the tickets sold (not to exceed \$2000.00)

**4. Can I share the cost of a ticket with a friend?** Yes, you can split the cost of a ticket with friends or family. However, if your ticket is one of the final five, the team must designate a single person to represent them on stage and to cast their vote to continue the DRAW DOWN, stop, or sell on each round.

## **SPOUSES’ PROGRAM** **“NO RULES – JUST RIGHT”**

We are planning a very special program for spouses during the Mobile conference. The trips will be laid back, and flexible. Your tour guides, Carol Alford and Becky Gonsoulin, have scouted out the areas, taken the tours and promise you unique and fun outings.

### **FRIDAY**

Friday morning we plan to begin our day by touring the Bellingrath gardens and home, located just 30 minutes south of Mobile on the banks of the Fowl River. Completed in 1935 by Coca Cola magnate Walter Bellingrath and his wife Bessie, the home has been featured on A&E’s America’s Castles and is listed on the National Register of Historic Places. If you love antiques, especially porcelain, be prepared for the largest collection of Boehm porcelain in the United States – and that is just in the guest house. Bessie Bellingrath was a serious collector of antiques and the home features her collection as well as the original furnishings.

Outside the home are 65 acres of gardens, always in bloom. For those who are not into antiques and old homes, you can choose to skip the home tour and take a 45 minute river cruise instead. For more information check out the Bellingrath Gardens website at <http://www.bellingrath.org>.

Friday afternoon we will provide lunch for everyone at the quaint Lighthouse Bakery on Dauphin Island. Then we will take you wherever you want to go on this unique barrier island just off the coast of Mobile. The local newspaper, *The Island Mullet Wrapper*, calls the island, “our Mayberry by the sea.” There are no traffic lights, no fast food joints, no high rise condos, just peace, quiet, birds, sugar white sand, a civil war fort and a marine biology laboratory. The weather is still warm enough for the beach in October but the tourists are gone. The island will, however, be crawling with birders from all over the country. October is prime migration time for neotropical migrants and nature lovers flock to the island to see hundreds of species of birds as they prepare for their non-stop flights over the gulf to central America where they spend the winter. If you are a nature lover bring your binoculars. You will be fascinated with the variety and abundance of birds and butterflies. To learn more about this unique island visit this website: <http://dauphinisland.org/>

We will drag you away from the island, regardless of the kicking and screaming, in time to get back to the hotel and freshen up before the evening activities get under way.

## SATURDAY

Saturday we will have a more leisurely start to our day and travel just 30 minutes to the very special little town of Fairhope, located on a bluff overlooking Mobile Bay. Downtown Fairhope is a charming collection of shops and restaurants selling everything from fly fishing gear to fudge. There are 7 antique stores, more clothing boutiques than you can count, gift shops, stitchery stores, jewelry and Christmas shops and 7 art galleries. And to top it all off, the day we will be there the town is hosting an art festival! Lunch will be on your own. The hard part will be deciding which restaurant to try. Check out their website: <http://www.fairhopemERCHANTS.com>

On our way to Fairhope we will pass another special Alabama attraction. Battleship Park is located along the bay causeway. It features self-guided tours of the USS Alabama battleship and the submarine USS Drum. An interior display features a Black Bird spy plane and a flight simulator ride. The grounds are crammed full of tanks and military aircraft. The park also has a Vietnam Veterans Memorial. For those spouses wishing to see Battleship Park we will arrange for the group to split after lunch. The park takes 1-2 hours to tour depending on how much of a history buff you are. For more information check their website: <http://www.ussalabama.com>

Hate the idea of coming to the old south and not visiting an antebellum home? If you arrive on Thursday, walk down the block to the Fort Conde Visitors Center. You can tour the fort and museum for free and watch video featuring local attractions. Then use the Moda trolley system to see nearby antebellum homes, museums, and parks. Yep, they have a website too: <http://www.mobile.org>

If you have questions, suggestions, or comments about this proposed itinerary please e-mail Carol at [calford@balch.com](mailto:calford@balch.com). Remember – We take our “no rules, just right” motto as seriously as that steakhouse does. So please let us know what you think.
