Fresh Fruit, Announcement FV-311, Invitation 030

The Department of Agriculture (USDA) invites offers to sell fresh fruit as indicated below and per the Announcement for use in child nutrition and other domestic food assistance programs. **Offers are due by 1 p.m., Central Time, Friday, October 10, 2008.** Acceptances will be announced by midnight, Friday, October 24, 2008. Deliveries are to be made from November 17, 2008 through April 1, 2009.

Offers are invited from the trade for

Fresh Apples 37/40 lb. (cartons to a shipping container) 21,252 cases

Vendors or subcontractors who are supplying fresh apples are required to undergo the USDA AMS FVP Fresh Products Branch Good Handling Practices (GHP) certifications process, and must score at least 80% on each of the following elements: House Packing; Storage and Transportation; and Traceback, 10 days prior to the first delivery. Brokers are exempt from this requirement.

In addition to the GHP, vendors or subcontractors/suppliers are also required to undergo the Good Agricultural Practices (GAP) certification process. Vendors will be required to submit a list of the growers they will potentially use for the fresh apples with their bids. USDA's Fresh Products Branch will schedule and ensure that Federal or State inspectors provide an informational audit to those growers to explain where improvements need to be made to pass the USDA GAP audit.

The following statements will result in an immediate failure of the GAP requirement.

- An immediate food safety risk is present when produce is grown, processed, packed, or held under conditions that promote or cause the produce to become contaminated.
- The presence or evidence of rodents, and excessive amounts of insects or other pests in the produce during packing, processing, or storage.
- Observation of employee practices (personal or hygienic) that have jeopardized or may jeopardize the safety of the produce.
- Falsification of records.

USDA will pay for these inspections from program funds.

The Fresh Produce Audit Verification Program can be accessed at the following website:
<http://www.ams.usda.gov/fv/fpbgapghp.htm>

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

No offer will be made to 8(a) vendors on this invitation.

All invitations with orders for the state of New York must have the pack date stamped on the outside of each carton. The pack date should be annotated as per the following example: (05/01/2003). Orders for the state of New York requiring this special marking will be indicated by (**). This applies to New York orders "Only," if and when they appear on an invitation.

Bids must be submitted electronically via the Domestic Electronic Bid Entry System (DEBES) on the Internet. Offerors who submit bids using other than DEBES, will be deemed non-responsive.
