RE: Notice of Appearance and Request for Statistical Data

Dear Deputy Administrator:

As I previously advised, I will be appearing at the March 20, 2009 Session on behalf of the New England Producer-Handlers Association Inc.; Willard J. Stearns & Sons d/b/a Mountain Dairy; Monument Farms Inc. and Various Other Producer-Handlers and Exempt Handlers.

Please consider this a Demand on behalf of New England Producer Handlers Association, Inc.; Willard J. Stearns & Sons d/b/a Mountain Dairy; Monument Farms, Inc. and various other Producer-Handlers and Exempt Handlers for the following statistics to be prepared for pre-hearing or hearing and delivered to me:

1. Producer-Handler Class I sales by each milk market;
2. Class I sales by Regulated Handlers by each milk market;
3. Exempt Milk Class I sales by each milk market.
4. List of names and addresses of Producer-Handlers/Exempt Milk reporting in each milk market.

The above is needed historically and up to date.
