Dear Mr. Kyburz.

I am writing to follow up on my letter of November 29, 2011. Your office kindly provided the data requested in that letter, for one month. I would now like to request that the same data be provided for each of the two months, annually (I believe May and December), that the data is assembled by your office, for the four-year span 2008-2011.

This would give us a total eight month sampling.

Thank you for your consideration of this request.

Sincerely,

Daniel Smith, Esq.
on behalf of MDIA
