As part of the USDA's commitment to increase people's access to nutritious food as part of the U.S. Food Waste Challenge, this list is intended to help match importers wishing to donate certain fruits, vegetables and nuts with charitable organizations registered to receive them under an FV-6 exemption. Importers of avocados, dates, grapefruit, kiwifruit, olives, onions, oranges, potatoes, tomatoes, and walnuts are encouraged to learn how they can help feed the hungry, by donating through these food banks. Importers with questions on the FV-6 exemption requirements, and food banks interested in joining this registry, can contact Lois Tuttle at (202) 720-6467 or lois.tuttle@ams.usda.gov.
