Weekly National Egg Products

I.o.b. Shipper Dock Basis; Wholesale prices; cents per pound unless otherwise noted.

### Liquid Eggs

All liquid egg product prices are too few to report. Animal Care Certified whole egg reported at $120.00 with certified whites reported at $160.00 to 162.50. Trade sentiment continues steady to lower for all liquid egg products. Offerings are moderate to available for all liquid egg products. Demand remains light on all liquid egg products. Market activity is slow.

### Frozen Eggs

Frozen whole egg prices are steady with white prices irregular and sugared and salted yolk prices steady to lower. Trade sentiment is steady for whole egg, steady to lower for whites and lower for frozen yolk products. Offerings and supplies are light to mostly moderate for whole egg, moderate for whites and moderate to heavy for sugared and salted yolk. Demand is light to moderate for all frozen egg products. Market activity is slow to moderate.

### Non-pasteurized in trucklots; current trading for delivery within 14 days.

### Dried Eggs

Dried egg prices are mixed on whole, lower on the balance. The undertone is lower. Offerings are light to moderate. Demand is mixed, light to moderate on whole and albumen, mostly light to instances fairly good on yolk. Trading is centered on contractual commitments with slightly increased spot sales for a short holiday week. Supplies are light to moderate with dried products produced in some cases on an ad as need basis. Market activity is slow to instances moderate.

### Prices in dollars per pound; in containers; includes trucklot and less-trucklot volumes.

Data Source: Agriculture and Agri-Canada, AISD, AID, Poultry Section

Live Spent Light Fowl
Prices are trending steady for the moderate demand. Offerings of light type hens are light to moderate for current needs. Processing schedules were reduced. Movement of finished product were sufficient. Market activity is seasonally moderate. The major price removals for removal costs are unchanged at 0-7 cents per head. Retail activity was light with best interest being in the Midwest region.

Shell Eggs Broken Down 14 Percent from Last Year
October 2014 contained 23 weekdays (including 1 holiday) and 4 Saturdays. October 2015 contained 22 weekdays (including 1 holiday) and 5 Saturdays.

Shell eggs broken totaled 174 million dozen during October 2015, down 14 percent from October a year ago, but 4 percent above the 167 million broken during the previous month.

During calendar year 2015 through October, shell eggs broken totaled 1,771 million dozen, down 6 percent from the comparable period in 2014. To date, cumulative total edible product from eggs broken in 2015 was 2,292 million pounds, down 6 percent from 2014.

Data presented in this report were compiled from Food Safety and Inspection Service (FSIS) inspection reports. The best available data at the time of publication were used.
