**Commodity Specification For  
CANNED BONED CHICKEN  
DATED NOVEMBER 1998**

**Amendment No. 2**

This amendment changes the USDA laboratories for fat analyses of canned boned chicken.

Section II.G.2. on page 14. Revise this section to read as follows:

“2. USDA Laboratories. The samples for laboratory analyses may be submitted to any one of the USDA laboratories listed below, except when AMS determines that conditions or workload of a specific laboratory do not permit the prompt handling of samples. All costs incurred for shipping the samples and the laboratory analyses will be paid by the contractor.
