NATIONAL EGG MARKET AT-A-GLANCE

In Chicago, prices were lower on all sizes in all areas. Elsewhere, prices were generally unchanged. The market tone was barely steady to weak. Demand was light to moderate entering the weekend. Supplies were adequate to available, occasionally ample for current requirements. Breaking stock demand was in a full range of light to good for adequate to fully adequate supplies. Light type hens were at least sufficient.

NORTH ATLANTIC In Boston, prices were unchanged to 3 cents lower on the heavier weight eggs and unchanged on mediums. In Philadelphia and New England, prices were unchanged on all sizes. The market tone was barely steady to weak. Demand remained very light to occasionally moderate. Supplies were adequate to available for immediate trade needs. Breaking stock offerings were adequate to fully adequate for the generally light demand. Light type fowl were at least sufficient for the fair demand. Processing schedules for the upcoming week were reported as mostly normal.

NEW YORK Prices were unchanged entering the weekend. The market tone was barely steady to weak with traders closely monitoring further developments. Retail and distributive demand was fair to occasionally moderate, better where promotions were planned for next week. Supplies were adequate to available at current levels.

MIDWEST Prices to producers in Iowa-Minnesota-Wisconsin were 3 cents lower for large, down 1 cent for medium, and unchanged for small. Prices in other reported areas were unchanged. Trade sentiment was barely steady to weak. Retail demand was slow to at times moderate. Food service movement was generally moderate. Supplies were fully adequate to ample. Central states nest run breaking stock prices were unchanged to 1 cent higher with checks and undergrades unchanged. Offerings of heavy nest runs were usually adequate to fully adequate for the fair to fairly good demand. Heavy graded and gradeable shell eggs were readily available and showing discounted values into breakers channels. Schedules mostly full-time to over-time. Floor stocks at least adequate to fully adequate. Trade sentiment about steady to steady.

CHICAGO Prices for extra large and large declined 3 cents, mediums dropped 1 cent. The market tone was barely steady to weak. Retail and food service demand light to moderate with most pipelines replenished from the holiday weekend demand. Supplies available.

SOUTHERN Prices were unchanged. The market tone was barely steady to weak entering the weekend. Asking prices for next week were trending sharply lower on all sizes. Demand ranged light to instances moderate, best where features were planned for the upcoming week. Supplies were adequate to available. Breaking stock demand was generally light for adequate to fully sufficient supplies. Light type hens were at least adequate for the fair demand. Slaughter schedules were mostly normal for next week.

WEST COAST Prices unchanged. The market tone was very weak with asking prices for next week throughout the region 10 cents lower on jumbo, 12 cents lower on extra large, 13 cents lower on large, and 6 cents lower on medium. Retailer demand was gradually getting back to normal after the holiday. Offerings ample.

NATIONAL LIQUID Pasteurized salt yolk reported at 58 to 61 cents fob with no pasteurized whites reported. Trade sentiment was steady to barely steady for whole egg, steady to fully steady for whites and unsettled on yolk. Demand was improved for whites and rated as generally good, mostly moderate to instances good for the balance of liquid products. Offerings were adequate for whole egg and yolk and balanced to tight for whites. Nest run breaking stock prices were lower when compared with last week's reported prices. Prices paid cents per lb., FOB Plant to 10:00AM Friday 05 April, 2002 non-pasteurized trucklot. For delivery within 14 days.
