**MIDWEST BROILER/FRYER** - Final majority prices were generally unchanged from last Monday's final; Ohio cities TFEWR. Trade sentiment was about steady with a weak undertone. Offerings varied due to transportation issues, but buyer interest was light. Retail and food service demand light to occasionally fairly good, mostly light; best activity on retail features and restaurants around major attractions. Floor stocks adequate. Weights were desirable. Parts supplies were sufficient with breast cuts in longest position and discounted. The market tone was steady on wings and dark meat, and barely steady, undertone weak on breast items.
