Additional requested information:

Tendering text - Header :

PORK PRODUCTS SOLICITATION NO: 2000003873

The U.S. Department of Agriculture (USDA) invites offers to sell frozen pork products pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and Nutrition Assistance Programs. Acceptances will be announced by midnight, February 17, 2016. Deliveries are to be made between April 1 and April 30, 2016.

The pork products are to be delivered fresh chilled or frozen as indicated by product type.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime offerors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in WBSCM and have the required bidder roles in order to submit offers under this solicitation. Once connected, follow the online procedures. A "HELP" button provides detailed instructions or call (202) 720-4517 for assistance.

Offerors are cautioned to bid only quantities they can reasonably expect to produce and deliver. Inquiries about the Master Solicitation dated April 2015; Amendment 1 to the Master Solicitation dated June 2015, Supplement 302 to the AMS Master Solicitation dated March 2015; or this Solicitation should be directed to the Contracting Officer; USDA, AMS, Room 3522-South; 1400 Independence Avenue, S.W.; Washington, D.C. 20250-0239. Telephone: (202) 720-4517. FAX: (202)720-2782.
