Entering a price on this item overview screen represents a delivered price to the final destination.

To enter a price delivered to the U.S. port, select the conditions icon (ie, handshake).
In this example, the first line “Price/Contract Bid” is the price entered on the previous screen and is the offeror’s price to deliver the product to the final offshore destination.
To enter a price to the U.S. port, under the Condit. Type column, select “Offshore Port Costs Object GUID/Inventory Location” from the drop down.

Under the Location column, select the ellipses (...) from the drop down.
In this search window, do not enter any data. Run the search wide open to pull in all available U.S. ports available for this offshore destination.
All available U.S. ports available for this offshore destination will be displayed. Select the applicable hyperlink.
Verify that the applicable port location is displayed
Enter the delivered price to this port location.

Then select Back to Item Overview.
Price for this item is displayed as “See Conditions”. Clicking on this link will open the conditions page (or you could select the handshake).
Make changes, or select Back to Item Overview to return.
When finished entering bids, hold your offer, then select Output Preview. Offshore bids will be displayed as follows.

This line represents the delivered price to the final destination of Agat, GU.

This line represents the delivered price to the port of Los Angeles.
