Description: **AG-DFCD-S-17-0010**  
Bid invitation number: 2000004361

**Tendering Text:**

An offer requires timely submission of all plant responses AND a vendor response.

Plant response consists of:

- 1) PRICE for applicable items shown herein on the schedule of supplies in the Bid Invitation Item Details Section, see below and
- 2) CERTIFICATION ANSWERS in the Questions section of the RFx Information tab.

Important: Submission of the plant response just saves the data entered – the vendor response must also be submitted.

Vendor response consists of:

- 1) Marking that NO CONSTRAINTS apply if vendor can supply the cumulative item quantity offered OR entering quantity CONSTRAINTS to limit the offer to a quantity to less than the cumulative item quantity offered, and
- 2) Plant responses – submission of vendor response before the Offer Due Date and Time also physically submits all previously submitted/saved plant responses. Failure to timely submit the vendor response will result in no offer for the applicable solicitation.

It is imperative that the offeror verify the accuracy of their offer/quote. The offer/quote may be printed from the WBSM portal path Supplier>Bid Management>Vendor Response Log.

E. Bid invitation Item details section:

Hierarchy of Item Numbers (Item) is indicated by progressive indentation:

- Level 1 Material Group,
- Level 2 Material type and pack size,
- Level 3 Destination single or multiple stops,
- Level 4 Details; Material type and pack size, date range product required by, postal zip code, quantity, and unit of measure. Railroad information is not available unless shown. Item Offered price is entered at level 4 only. Items will be awarded in increments of truckload sizes.

Multiple stop Items:

- 1) Are identified by LOT: number, city state/city state in the Tendering text at level 3 of an applicable Item;
- 2) Have up to three stop-offs and a final destination.

F. Only one bid price may be submitted for an item number.

G. The same price shall be entered for all items within the same product type. If all items for that product type are not entered when submitting the bids, then bids will be deemed non-responsive for that product type. Subject to Part 2, Section A.4, Evaluation of Bids, in the Master Solicitation for Commodity Procurements, the Government shall award contracts resulting from this solicitation to the responsive, Responsible bidder(s) whose bids will be most advantageous to the Government in terms of the lowest overall cost for a product type.

H. Plant Location Requirement.

Offers shall accurately represent the plant location(s). Plant location is defined as the place where an end product is assembled from components, packaged, or otherwise made or processed from raw materials into

the finished product that is to be provided to the Government. Upon acceptance of an offer, the combination of plant location and item becomes a contract term.

Offerors are directed to submit offers from only plant locations. Offers for locations representing non-plant locations, such as, company headquarters or Shippers Option may be deemed non-responsive.

Prospective contractors need to verify, early in the offering period that the appropriate plant locations for the company are shown in the WBSCM Offer Form Page dropdown box. Plant locations that are not included on the list cannot have an offer submitted in association with that plant. Therefore, any plant locations not included on the list, from which offeror intends to use in performance of the contract, should be added.

Plant location and the Place of Performance in Federal Acquisition Regulations provisions **52.214-14 (Apr 1985)** and **52.215-6 (Oct 1997)** shall match. Representations and Certifications are available online at the System for Award Management at website [www.SAM.gov](http://www.SAM.gov).

**I. Supplier Agreement Requirement.**

If the offer is for product the offeror will not itself manufacture, offeror shall, by the offer due date/local time, submit the corresponding supplier agreement to, Attention: Contracting Officer at the solicitation information contact address shown in this solicitation. The supplier agreement shall: be in effect between the offeror and the product manufacturer for the period of contract performance, certify compliance with the applicable solicitation requirements, contain the DUNS number for the product manufacturer be on the product manufacturer's company letterhead, and be signed by both parties.

A prospective contractor may be required to provide written evidence of a proposed responsibility of the subcontractor. The Contracting Officer may directly determine a prospective responsibility of the subcontractor.

**J. //Applicable if Checked. WBSCM Business Size/Type Designation for Subcontracting.**  
Applicable if this solicitation contains a partial small business set-aside.

An offer from a small business to supply manufactured products of small and large Businesses shall be divided and submitted separately using separate WBSCM logon IDs.

7. Schedule of Supplies. The quantity awarded may be less than the quantity advertised due to program changes. Commodity requirements are available at:

Suppliers of commodities, products and/or services shall be responsible for placing a seal(s) on all cargo doors of each transportation conveyance upon completion of loading, partial unloading, inspection, or servicing.

Seals must meet the American Society for Testing and Materials (ASTM) Standards. ASTM Standards may be found at <http://www.astm.org> Seals shall be 1/8-inch diameter cable, high security bolt, barrier-type, or equivalent device which can only be removed by bolt cutter type tools. Seals shall be sequentially numbered. The contractor or its agent shall provide a sufficient number of barrier-type seals to ensure security of the load while in route through final destination.

Seals shall be 1/8-inch diameter cable, high security bolt, barrier-type, or equivalent device which can only be removed by bolt cutter type tools. Seals shall be sequentially numbered. The contractor or its agent shall provide a sufficient number of barrier-type seals to ensure security of the load while in route through final destination.

The seal numbers shall be documented on the Bill of Lading, which must be signed or acknowledged by the carrier or its agent.

Deliveries will be rejected, in which seals have not been used to secure all cargo doors, if:

- the seal listed on the Bill of Lading does not match the seal number recorded on the Bill of Lading;
- the seal is broken;
- the seal is missing, or
- the seal has been removed prior to the transportation conveyance reaching its unloading point.

A rejected conveyance will only be accepted after a Condition of Container Inspection has been performed by Agricultural Marketing Services (AMS) or Federal Grain Inspection Service (FGIS). AMS or FGIS must subsequently issue a Certificate of Quality and Condition that documents that the Condition of Container meets the applicable U.S. Standards for Condition of Food Containers. If this inspection is performed at a location other than the contracted delivery point all cargo doors must be sealed and the seal numbers documented by the Federal Inspection Agency on the Certificate.

Conditions of Container Inspections arrangements are available by accessing the AMS website at <http://www.ams.usda.gov/services/sci-contacts>

The Contractor is responsible for payment of all fees incurred as a result of a Condition of Container Inspection.

C. Contractor Past Performance Evaluation applicable for contracts exceeding the simplified acquisition threshold of \$150,000.

The Government will prepare a past performance evaluation at the time the work under the contract or delivery order is completed. Evaluation will rate performance areas such as, quality of product or service, cost control, timeliness of performance, business relations, and when applicable, performance against, and efforts to achieve the goals identified in the small business subcontracting plan. The evaluation will be entered into the Contractor Performance Assessment Reporting System (CPARS). Contractor will have an opportunity to comment on the Government evaluation. Details on access and use of CPARS will be provided to the Contractor at a future date. The past performance evaluation may be used by the Government to support future award decisions.

11. FAR and Agriculture Acquisition Regulation (AGAR) Provisions and Clauses:

In the event of a conflict between WBSCM and Federal Acquisition Regulation (FAR) terminology, FAR terminology shall take precedence.

A. This solicitation shall be subject to the terms and conditions of KCCO's Master Solicitation for Commodity Procurements (MSCP) in effect as of the date of this solicitation. See attached MSCP. The FAR and AGAR provisions and clauses applicable to this solicitation are contained in the MSCP.

B. The FAR Provision 52.216-1, Type of Contract, in the MSCP is deleted and Replaced with the following: FAR Provision 52.216-1, Type of Contract (Apr 1984). The Government contemplates award of a fixed-price, indefinite delivery contract resulting from this solicitation. (End of provision.)

C. FAR Clause 52.216-18, Ordering (Oct 1995).

(a) Any supplies and services to be furnished under this contract shall be ordered by issuance of delivery orders or task orders by the individuals or activities designated in the Schedule. Such orders may be issued anytime after contracts are awarded.

(b) All delivery orders or task orders are subject to the terms and condition of this contract. In the event of conflict between a delivery order or task order and this contract, the contract shall control.

(c) If mailed, a delivery order or task order is considered "issued" when the Government deposits the order in the mail. Orders may be issued orally, by facsimile, or by electronic commerce methods only if authorized in the Schedule. (End of clause.)

D. FAR Clause 52.216-19, Order Limitation (Oct 1995).

(a) Minimum order. When the Government requires supplies or services covered by this contract in an amount of less than 2,072,690 pounds the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.

(b) Maximum order. The Contractor is not obligated to honor:

- (1) Any order for a single item in excess of 22,140 pounds (equivalent to one truckload);
- (2) Any order for a combination of items in excess 2,893,171 pounds; or
- (3) A series of orders from the same ordering office within 90 days that together call for quantities exceeding the limitation in subparagraph (b)(1) or (2) of this section.

(c) Notwithstanding paragraphs (b) of this section, the Contractor shall honor any Order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within seven (7) days of issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source. (End of clause.)

E. FAR Clause 52.216-22, Indefinite Quantity (Oct 1995).

(a) This is an indefinite-quantity contract for the supplies or services specified and effective for the period stated in the Schedule. The quantities of supplies and services specified in the Schedule are estimates only and are not purchased by this contract.

(b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering Clause. The Contractor shall furnish to the Government when and if ordered, the supplies or services specified in the Schedule up to and including the quantity designed in the Schedule as the "maximum." The Government shall order at least the quantity of supplies or services designated in the Schedule as the "minimum."

(c) Except for any limitations on quantities in the Order Limitations clause or in the Schedule, there is no limit on the number of orders that may be issued. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.

(d) Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period, provided, that the contractor shall not be required to make any deliveries under this contract after March 31, 2017. (End of clause.)

F // Applicable if checked. FAR Clause 52.232-18, Availability of Funds (Apr 1984). Funds are not presently available for this contract. The Government obligation under this contract is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise until funds are made available to the contracting officer for this contract and until the contractor receives notice of such availability, to be confirmed in writing by the contracting officer.
