AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and
Nutrition Assistance Programs. Acceptances will be announced by midnight, December 16, 2020.
Deliveries are to be made between January 1, 2021- January 31, 2021.

The specialist for this solicitation is Adrienne Collins (Adrienne.Collins@usda.gov). The contracting
officer for this solicitation is Kelli Dawkins (Kelli.Dawkins@usda.gov). Please contact the specialist first,
with questions regarding the requirements of this solicitation. Do not discuss your bid prices with the
specialist or contracting officer before award.

For this solicitation products produced from the 2020 or 2021 crop year will be accepted.

The Quantity Tolerance section of the specification document, "Contractor will be allowed a tolerance
on the final delivery of plus or minus 50 cases of each product, from each shipping point named in the
purchase order", is not applicable to this solicitation. USDA will not pay for any cases exceeding the
contracted quantity.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded
under this solicitation, other than the processing plant and shipping point entered in their bids, may
submit a list of their approved processing plants and shipping points on a separate sheet of paper to
be uploaded in WBSCM, and to be submitted with their bids.

This Solicitation may show multiple stops on some line items; however, the number of stops will be
limited to a maximum of three. To determine the number of destinations, review the "Tendering Text"
for the lot, which will indicate the City and State for each stop. Bidders may submit different prices
for each stop. However, a price is required on all line items within the lot.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their
bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination
quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs,
market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or
individuals that have been suspended or debarred.

Offers must be submitted electronically via the Web-Based Supply Chain Management System
(WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive.
