This solicitation is issued under the authority of Section 32. Acceptances will be announced by midnight, March 22, 2021. Deliveries are to be made April 1, 2021 and September 30, 2021.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

This Solicitation includes the following changes to the FPPS for Shell Eggs dated April 2017 (Item 100936):

352 A delivery unit shall consist of a solicitation line item. Each unit shall consist of only one size or color of eggs in one type of packaging and packing material, with only one format of labeling. Mixing egg sizes, colors, packaging and packing materials and labeling format are not permitted in a delivery unit.

352.1 For multi-stop deliveries, where the quantity is less than 1,500 cases, the contractor shall maintain a segregation plan for loading and deliveries.

352.2 Each commodity load and/or stop(s) shall have a seal.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

Offers must be submitted electronically via the Web-Based Supply Chain Management System
