Canned Vegetables (Tomato Products), SOLICITATION NO: 2000009716

The U.S. Department of Agriculture (USDA) invites offers to sell Canned Vegetables pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and Nutrition Assistance Programs. Acceptances will be announced by midnight, December 4, 2023 . Deliveries are to be made between January 1, 2024 through March 31, 2024

The specialist for this solicitation is Carol Givens-Verser ([carol.givens-verser@usda.gov](mailto:carol.givens-verser@usda.gov)). The contracting officer for this solicitation is David C. Jackson ([davidc.jackson@usda.gov](mailto:davidc.jackson@usda.gov)). Please contact the specialist first, with questions regarding the requirements of this solicitation. Do not discuss your bid prices with the specialist or contracting officer before award.

There is a probationary period for new-to-AMS contractors and existing contractors bidding on new products in which awards may be limited to 10 truckloads per product. Contractor must demonstrate successful delivery of at least five (5) truckloads of [new] product in order to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract.

The Quantity Tolerance section of the specification document, "Contractor will be allowed a tolerance on the final delivery of plus or minus 50 cases of each product, from each shipping point named in the purchase order", is not applicable to this solicitation. USDA will not pay for any cases exceeding the contracted quantity.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.
