The U.S. Department of Agriculture (USDA) invites offers to sell Yogurt and Rice pursuant to the AMS Master Solicitation for use in the domestic food distribution programs. Bids are due by 1pm CT on 02/21/2025. Acceptances will be announced by 5pm CT on 02/28/2025. Deliveries are to be made between April 1, 2025, through June 30, 2025.

This Acquisition is Unrestricted.

This solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the city and state for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot. For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port. Purchases will be made on an f.o.b. destination basis to cities on this solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

Any small business concern proposing to furnish a product that it did not itself manufacture must furnish the product of a small business and, by the offer due date/local time, submit the corresponding supplier agreement to, Attention: Contracting Officer. The supplier agreement shall: be in effect between the offeror and the product manufacturer for the period of contract performance, certify compliance with the applicable solicitation requirements, be on the product manufacturer's company letterhead, and be signed by both parties.

A prospective contractor will be required to provide written evidence of a proposed subcontractor's responsibility including Plant Sanitation and Food Defense surveys. The Contracting Officer will directly determine a prospective subcontractors responsibility, per FAR 9.104-4.

For a new-to-USDA contractor and existing contractors who are bidding on new products, a probationary period may be implemented in which awards are limited to 10 truckloads per product. Contractor must demonstrate successful delivery of at least five (5) truckloads of product in order to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract. Any delivery problems directly attributable to the Government will not be held against the contractor.

Offers must be submitted electronically via the Web-Based Supply Chain Management System
