If USDA/AMS finds that suppliers used by the contractor are not in compliance with AMS GAP/GHP certification requirements after the product is delivered, the following courses of action will apply:

1. A cure notice shall be issued informing the contractor of their failure to comply with the required elements of this solicitation. The USDA will then deduct a 50% discount from the invoice for all noncompliant deliveries shipped or invoiced prior to the date listed on the cure notice.
2. If the contractor ships noncompliant product after the date of the cure notice:
 - a. USDA/AMS will deduct a 50% discount from the invoice for all noncompliant deliveries;
 - b. The contract will be terminated for cause; and
 - c. The contractor will be suspended from participating in all future USDA/AMS fresh fruit and vegetable solicitations for a period of one year from the date of contract termination.

This solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

The Fresh Tomatoes must be transported to destination in a refrigerated trailer at an ambient air temperature of plus (above zero degrees Fahrenheit (F)) 46 to 50 degrees F. Failure to meet this requirement at destination may be cause for rejection.

For off-shore deliveries to Hawaii only, the fresh tomatoes must reach destination within 10 calendar days of the inspection/certification, with day one being the inspection/certification date.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

#System updates may lag policy updates. The System for Award Management (SAM) may continue to require entities to complete representations based on provisions that are not included in agency solicitations. Examples include 52.222-25, Affirmative Action Compliance, and paragraph (d) of 52.212-3, Offeror Representations and Certifications-Commercial Products and Commercial Services. Contracting officers will not consider these representations when making award decisions or enforce requirements. Entities are not required to, nor are they able to, update their entity registration to remove these representations in SAM.#

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in WBSCM and have the required bidder roles in order to submit offers under this solicitation. Once connected, follow the online procedures. A "HELP" button provides detailed
