Retail demand is generally steady across the country. Food service demand varies. It is noted as quiet in the East and strong to steady in the West. Some stakeholders note orders for spring holiday demands are starting. Cream continues to be readily available throughout the nation. Butter makers are running strong production schedules. Butter manufacturers are busy building stock for later quarter demands and planned summer downtime. Some manufacturers say unsalted butter and bulk butter loads are tight for spot buyers. Bulk butter overages range from 3 to 15 cents above market, across all regions.
