A near capacity crowd was on hand for this month's Special Cow Sale at Green City Livestock. The bulk of the offering consisted of a complete dispersal of a long time local reputation herd. No shortage of bidders for the bred cows, with particularly good demand for the 4-6 year old P3 cows as large numbers of proven cows are getting harder and harder to find. The older sisters off the same consignment however also had no trouble finding new homes. Supply moderate. Supply included: 100% Replacement Cattle (89% Bred Cows, 11% Bred Heifers).
