Compared to last report: (11/04/24) Feeder lambs under 80 lbs sold mostly 15.00-30.00 higher. All other feeder lambs were too lightly tested as most were purchased by slaughter buyers. Most lambs were purchased for slaughter again this sale. Slaughter lambs sold 15.00-30.00 higher on all weights. Demand for lambs was very good with several slaughter buyers in the stands actively bidding on offerings. Offerings were heavy as this was the largest sale of the year. Slaughter buyers showed the best demand for lambs with flesh and bloom. Some farmer feeders were in the stands today actively bidding on light weight lambs. These buyers had to compete with slaughter buyers as they picked away a small portion of the offering to feed. Hair lambs sold on very good demand. Some of these offerings had been on feed and offered buyers increased yield. Hair lamb quality was mostly attractive this sale. Most of these offerings were in ideal flesh for slaughter buyers and demand was very good as a result. Slaughter hair lambs sold 10.00-15.00 higher than last sales offering in a narrow comparison. Market activity was mostly active this sale with a large crowd on hand actively bidding on offerings. Demand for slaughter ewes was mostly moderate to good.
