Special Note: Next sale 8-15-22

Compared to last sale (7/25/22): Feeder lambs under 90 lbs sold mostly 6.00-8.00 higher. Feeder lambs 90-119 lbs sold steady to 5.00 higher, lambs over 120 not well compared. Demand was stronger this sale as farmer feeders were active in purchasing lambs to turn out on grass or beet tops. Traditional lamb feeders did not participate in the market again this week as feed lots remain very full. The Monthly feeder lamb inventory summary (<https://www.ams.usda.gov/mnreports/lsmcolambfi.pdf>) showed the August 1st lamb numbers down 14,422 since July 1 to 59,639. Lambs in the feedlot were 148.6% above last year and up 131% over the five year average. Slaughter lambs under 80 lbs sold mostly 10.00-12.00 higher, lambs over 80 lbs sold 3.00-4.00 higher. Demand for lambs was mostly moderate today and stronger than last sale. Demand did improve as the sale progressed. Quality was average to attractive today with several long strings of lambs on offer. Market activity was mostly moderate to active. Good slaughter ewes were too lightly tested last sale to develop an accurate market trend, however lower undertones were noticed on good ewes. Utility ewes sold 5.00-6.00 higher in a narrow comparison. Slaughter kids sold steady to 5.00 higher on a much higher quality offering this week. Many goats were resales from county, regional and state fairs. Pigmyies and other very small or thin goats continue to sell with a large discount as many buyers say the freight is too high for what the delivered price of the animal is worth. Supply included: 55% Feeder Sheep/Lambs (100% Lambs); 28% Slaughter Sheep/Lambs (37% Woolled & Shorn, 6% Shorn, 55% Ewes, 2% Bucks); 5% Feeder Goats (100% Kids); 13% Slaughter Goats (69% Kids, 24% Nannies/Does, 3% Bucks/Billies, 3% Wethers).
