Compared to last Mondays sale: Feeder cattle were not sold this week as this sale was a bred cow special. Weigh up cows sold on light to moderate demand for heavy offerings. Both slaughter and feeding cows sold generally steady this week. Demand for thin feeding cows continues to be strong as both packer and feeding buyers competed over these offerings to hold for the holidays or until the market improves. Most thin cows are being purchased to turn out on corn stalks or shipped to the corn belt where feed is less expensive. Weigh up conditions were average to below average this sale. Slaughter bulls sold generally steady in a narrow comparison. Bred cows sold on mostly good demand today. Offerings were average to attractive. A good crowd was on hand today which created an active market. Young age cows suitable to fec or rebreed sold generally steady. Quality this week was mostly average. Supply included: 48% Slaughter Cattle (99% Cows, 1% Bulls); 52% Replacement Cattle (24% Stock Cows, 67% Bred Cows, 9% Bred Heifers).
