Compared to last Friday: All yearlings were too scarcely tested last week to develop any market trend. Demand for yearlings was mostly moderate. Steer calves under 450 lbs sold mostly 10.00 higher, 450-599 lbs sold sharply higher, steers over 600 lbs sold mostly steady to 3.00 lower. Heifer calves under 500lbs sold steady to 3.00 higher, heifers over 500lbs sold steady to 2.00 higher. Quality this week was average to attractive. Demand was stronger and more consistent today as trucks have started to loosen up. Vaccinations remain vital to getting front end prices this year. Calves with two rounds of vaccinations sold with strong demand. Price spreads remain large. Market activity this week was moderate. Weigh up cows sold on mostly moderate demand for light offerings. Slaughter cows and feeding cows sold steady on a light test this week. Slaughter bulls sold generally steady to firm. Bull quality was mostly average this sale. Young age cows suitable to feed or rebreed were too lightly tested to develop an accurate market trend, steady undertones were noticed.
