Big run of high quality calves for todays special black hided calf sale. Most of the calves had spring and fall vaccinations, were right off the cow, clean haired and attractive for quality. A fairly active market considering the recent action of the futures market. House full of people with order buyers, farmer feeders and internet buyers competing for todays offering. Wide price range within weight classes depending on vaccinations, quality and eye appeal. Next feeder sale is Friday, October 31st, expecting a nice run of old crop yearlings and a large run of spring born calves. Supply included: 100% Feeder Cattle (65% Steers, 35% Heifers). Feeder cattle supply over 600 lbs was 18%.
