Livestock Weighted Average Report for 4/22/2021 - Final

AUCTION

	This Week	Last Reported 3/25/2021	Last Year
Total Receipts:	3,058	4,226	2,239
Feeder Cattle:	3,058(100.0%)	4,226(100.0%)	2,239(100.0%)

First reported feeder cattle sale in several weeks so an accurate price trend can not be established. Moderate demand for today's offering featuring mostly packages. Quality varied quite a bit today, many plain to average cattle were available. Many small consignments available as producers clean out cattle held over from last fall. A few consignments of fall calves offered as well. Flesh varied, but mostly light to moderate plus. A moderate market seen for this offering. More gains in the grain markets today, with corn reaching 6.50, have cattle feeders reluctant to buy cattle as the cost of gain marches steadily upward. Dry conditions throughout the area are making grass conditions look bleak and procuring cattle for grass is also looking uncertain. Watch local listings for the next feeder cattle sale. Supply included: 100% Feeder Cattle (41% Steers, 59% Heifers). Feeder cattle supply over 600 lbs was 77%.
