## Direct Livestock

		This Week	Last Reported (2/16/2024)	Last Year (2/24/2023)
<b>Total Direct Receipts:</b>		360	451	182

<b>Total Receipts:</b>		360	451	182

Compared to last week 700 lbs heifers sold 10.00 higher on a thin test. No comparable market for steers. Demand was good with several buyers looking for cattle in nook and crannies and under stones as they try to fill buy orders for grass cattle or feedlot placements. Nebraska feedlot trade continues at a standstill late Friday morning. With the CME live cattle board moving in positive direction Friday, feedlots are holding firm on asking prices. Supply included: 100% Feeder Cattle (72.2% Steers, 27.8% Heifers). Feeder cattle supply over 600 lbs was 100%. Unless otherwise noted, Feeder Cattle prices FOB based on net weights after a 2-3 % shrink or equivalent, with a 8-10 cent slide > 600 lbs. Livestock reported this week originated from MO, WY.
