Too few feeder cattle from late August sales for good comparisons, however a lower undertone noted for most weights. Some steer calves were selling with a very good demand as many farmer buyers were in the market. Timely rains have late summer pastures in great shape. Demand moderate to good and supply moderate. Supply included: 100% Feeder Cattle (42% Steers, 52% Heifers, 5% Bulls). Feeder cattle supply over 600 lbs was 72%.
