No recent price comparisons available as this was the first reported sale of the fall marketing season. Good demand for this nice offering of yearling steers and heifers, most cattle were right off grass and in an attractive, light fleshed condition. The market was active after the last two days of positive gains seen in the cattle futures complex, as Oct Live Cattle gained roughly 5.00, which is helping to ease concerns of cattle feeders. Watch local listings for the next special feeder cattle auction. Supply included: 100% Feeder Cattle (53% Steers, 47% Heifers). Feeder cattle supply over 600 lbs was 94%.
