

**Receipts:** This Week: 13,187      Week Ago: 10,847      Year Ago: 16,239

Compared to last week steer calves under 600 lbs sold 7.00 to 10.00 higher, 600 to 800 lbs sold 1.00 to 2.00 higher, over 800 lbs sold unevenly steady. Heifers under 700 lbs sold steady to 2.00 higher, over 700 lbs sold 2.00 to 5.00 lower. Demand was good throughout the week. Some late week auctions cancelled their sales due to the spring blizzard advisory in these reporting areas. Old man winter was brutal in some areas of the state where rain, ice and heavy wet snows prevailed and left several hundred homesteads without power for a few days. Most Nebraska feedlots held firm on asking prices and traded cattle Friday afternoon. Live sales traded at 122.00 and dressed sales at 190.00. The week live sales will range from 114.00-122.00 which is a huge spread, but the lower prices paid are cash sales for 15-30 days delivery. Spring field work is at a standstill as many fields are covered in snow mostly north of I-80 going east to west. Warmer temps are in the forecast and with large equipment it won't take long for planting to occur. This week's supply comprised of 61 percent steers, 38 percent heifers with the balance on bull calves. Near 76 percent of the run over 600 lbs.
