CHICKEN AND CHICKEN PRODUCTS (BULK), SOLICITATION NO: 12-3J14-25-B-0337 WBSCM NO: 2000010789

The U.S. Department of Agriculture (USDA) invites offers to sell Chicken and Chicken Products (Bulk) pursuant to the AMS Master Solicitation for use in the domestic food distribution programs. Bids are due by 1:00 PM CT on May 8, 2025. Acceptances will be announced by 5:00 PM CT on May 22, 2025.

Deliveries are to be made between July 1, 2025 through July 31, 2025.

The Contract Specialist for this solicitation is Wayne Wright, (Wayne.Wright@usda.gov) and the Contracting Officer is Adele Jackson-Croal, adele.l.croal@usda.gov. Any questions or concerns regarding this solicitation should be addressed to the specialist first.

All bulk loads on this Solicitation are No Tolerance. Fewer than 36,000 pounds will be rejected.

For a new-to-USDA contractor and existing contractors bidding on new products, a probationary period will be implemented in which awards are limited to 10 truckloads per product. Contractor must demonstrate successful delivery of at least five (5) truckloads of product to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract. Any delivery problems directly attributable to the Government will not be held against the contractor.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port. Offshore destination ports: Guam (O-LA; Los Angeles, CA), Hawaii (O-LA; Los Angeles, CA), Puerto Rico (O-JACK; Jacksonville, FL) and Virgin Islands (O-PEVE; Port Everglades, FL).

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

System updates may lag policy updates. The System for Award Management (SAM) may continue to require entities to complete representations based on provisions that are not included in agency solicitations. Examples include 52.222-25, Affirmative Action Compliance, and paragraph (d) of

Contracting officers will not consider these representations when making award decisions or enforce requirements. Entities are not required to, nor are they able to, update their entity registration to remove these representations in SAM.

The Government reserves the right to reject, in total or in part, manufacturers lots, sub-lots, production dates or the like when non-conforming product is identified.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

Offerors are cautioned to bid only quantities they can reasonably expect to produce and deliver. All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in WBSCM and have the required bidder roles in order to submit offers under this solicitation. Once connected, follow the online procedures.
