Frozen RTP Cherries Color Standard  
January 2011

## **Color Standard for Frozen Red Tart Pitted (RTP) Cherries May 2003 Edition**

### **Instructions for Use and Care**

This instruction provides for the use and care of the color standard for Frozen RTP Cherries. This color standard replaces the previous edition, which consisted of a solid plastic chip labeled "Frozen RTP Cherries".

Please follow instructions in the U. S. Standards for Grades of Frozen RTP Cherries and Instructions for Inspection of Frozen RTP Cherries for the application of the color standard and scoring of color. Care should be exercised when using the color standard.

Clean surfaces with a soft non-abrasive cloth using warm water and a mild soap solution, if necessary, and dry with a soft cloth. Store the standard in the envelope provided, away from heat and light when not in use. Each set is considered accountable property.

This inspection aid, Part No. **424442** Price: **\$66.75** is available to processors, buyers, and other interested parties and may be purchased from:

X-Rite Incorporated
