

United States Department of Agriculture

Agricultural Marketing Service

# WBSCM

USDA's Agricultural Marketing Service administers the Web Based Supply Chain Management (WBSCM) system. This robust purchasing system allows billions of pounds of food to be purchased each year.

Have questions about Web-Based Supply Chain Management (WBSCM)?

Want to learn more about submitting offers?

How about ASN's? Or invoices?

If you want all your questions answered, come see us! The WBSCM team.

**2015 Annual Industry Meeting  
for USDA Foods Contractors and Suppliers  
October 27-28, 2015**

## **ATTENTION USDA FOODS CONTRACTORS!!**

The AMS WBSCM Team will be conducting one-on-one training sessions during both days of the 2015 Industry Meeting.

Session times will range from 15-30 minutes each, and be on a first-come first-served basis. There will be a sign-up sheet at the Meeting.

October 27 (Day One): 9 am - 2 pm  
October 28 (Day two): 8 am - 12 noon

*We will attempt to satisfy all requests; however, sessions may fill up quickly and we may not be able to accommodate everyone.*
