AMENDMENT NO. 2

COMMODITY SPECIFICATION
DRIED FRUIT – AUGUST 2014

The purpose of this amendment is to make the following additions in the Commodity Specification:

- Add a link for the FDA Food Labeling Guidance and Regulations
- Add minimum labeling requirements
- Add primary container labeling/packaging color requirements
- Added an optional packaging type for the new size 1.16 oz. Dried Cranberries
- Add pictorial requirement when using opaque packaging for 1.16 oz. Dried Cranberries,
- Added new package size for Dried Cranberries
- Add a standard composition for Dried Fruit and Nut Mix and Dried Fruit Mix
- Add a new individual commodity for Dried (evaporated) Apples

The additions are shown in blue:

I. General

H. Packing, Labels and Packaging

1. Commercial Labels and Packaging

   a. Primary Containers

      (1) Vendors have the option to use commercial/retail labeling and packaging which meets all applicable FDA requirements (link to: FDA Food Labeling Regulations) and contains a code which allows traceability of the product in the event of a recall or they may use USDA packaging and labeling as specified in the Master Solicitation.

2. USDA Label and Packaging

   a. Primary Containers

      (1) All products must be packed in new, commercially acceptable primary containers which meets all applicable FDA packaging and labeling requirements (link to: FDA Food Labeling Regulations). Product
labeling/packaging shall also have at least 2 colors other than black and/or white.

(2) Minimum labeling requirements are:

- Statement of identity, or name of the food
- Net quantity statement
- Ingredient statement
- Manufacturer or distributor location statement
- Allergen declaration (if product contains a major allergen).

7. Dried Cranberries
   
c. 1.16 ounce bags.

Opaque metallized film (PET or PP) may also be used. Product labels shall include a picture representation or photo of the product.

II. Individual Commodity Specifications

N. Dried Cranberries

2. Sizes:

   c. 300/1.16 ounce bags.

O. Dried Fruit and Nut Mix and Dried Fruit Mix

1. Ingredients: All the ingredients contained in the Dried Fruit and Nut Mix or Dried Fruit Mix shall meet the requirements contained in the Commodity Specification for Dried Fruit and the ingredients shall also meet the requirements in the Commodity Specification for Shelled Nuts. The composition will be specified in the Solicitation/IFB as follows:
