

AMS and the USDA Cattle & Carcass Training Center at West Texas A&M University will offer a training on

CME Live Cattle and Carcass Acceptance

Join us on May 17-18, 2023, for this two-day course focused on a wide range of topics related to CME live cattle and carcass specifications and deliveries. AMS will provide updates on USDA's supply chain initiatives, including an overview of USDA's Meat and Poultry Processing Capacity Technical Assistance Program.

In addition, attendees may participate in-person or virtually in an onsite [USDA Cattle Contract Library Pilot Program](#) listening session. For virtual attendees, the meeting will be broadcasted live as a webinar. To join from a PC, Mac, iPad, iPhone or Android device, please [join via Zoom](#).

**May 17 -18, 2023, at the West Texas A&M University
Caviness Meat Science and Innovation Center**
