AMENDMENT NO. 2

COMMODITY SPECIFICATION CANNED FRUIT DATED FEBRUARY 2012

The purpose of this amendment is to add an individual serving size of applesauce. This addition applies to Section II. Individual Commodity Specifications, and Universal Product Codes to Section V, Exhibit 5. All individual serving size containers must be coded with the **Julian day code**. All individual serving size containers shall be commercially labeled, packaged, and the vendor's UPC shall be used on the secondary containers. 96/4.5 cases may be achieved by shrink wrapping together two 48/4.5 cases.

A. Applesauce
