AMENDMENT NO. 1

COMMODITY SPECIFICATION FRESH FRUIT AUGUST 2012

The purpose of this amendment is to remove the requirement for inspection of **fresh sliced apples** at destination from Section III. Inspection, B. Requirements. This requirement was added to the commodity specification in error.

B. Requirements (Cantaloupes and Pears)

Inspection of **fresh cantaloupes, and pears must be performed at destination** in accordance with the same requirements stated in paragraph “A” of this section with the exception of Positive Lot Identification. USDA, AMS, Fruit and Vegetable Program, Specialty Crops Inspection Division (USDA Grader) must perform the inspection required see section X of the Master Solicitation. The count (number) of packages shall be certified by Federal or Federal-State Inspection Service (see section X of the Master Solicitation). The acceptability of the quality and packaging of the product must be evidenced by certificates issued by the USDA Grader. Representative sample units will be graded according to the Regulations Governing Inspection and Certification of Fresh Fruit and Related Products (7 C.F.R. part 51), and United States Standards for Condition of Food Containers (7 C.F.R. part 42.140), effective on the date of the Solicitation/IFB.

All other terms and conditions remain unchanged.
