Proposed Transcript Correction

On behalf of Guers Dairy, Galliker Dairy Company, Schneider's Dairy, and Dean Foods, I am requesting one correction to the transcript to accurately reflect the question that was posed by me at the hearing. Currently, the question is in Volume II, Page 191, Line 8 and reads: "Q. And you've referenced the marketing plant in Virginia. Do you know how far away that is from Ohio?" In order to reflect the question that was posed, "marketing" should be replaced with "Marva Maid" so it reads: "Q. And you've referenced the Marva Maid plant in Virginia. Do you know how far away that is from Ohio?" Thank you.
